Connor

Working at Gatwick for an aviation company, I recently attended a residential training course, held at a hotel in Sussex.

There were eight of us on the course, two men who were boring old farts, two older women and then three women of about my age, early thirties, Liz, Rosie and Kate. We all got on like a house on fire, having a right laugh from the off.

One of the instructors was a guy in his late thirties named Connor who was really hot, and soon became the topic of conversation between us. Liz said she was a bit disappointed, that she'd hoped there would be more tasty blokes on the course. Kate said we could always try to seduce Connor. We all agreed, jokingly, that this could prove to be the only way to make it through the week.

The next day Kate arrived for the course in an extremely short skirt and tight fitting top, her nipples clearly visible as the fabric clung to her like a second skin. She told us that it was her plan to tease Connor and asked us all if she was the only one going for him.

I was a bit surprised to see she had been serious, but decided not to be outdone, and I wasn't alone – it seemed every girl around the table had the same idea. We spent the rest of the day flirting outrageously with Connor and he lapped it up. As we were having such a good time coming on to him, we decided to make a bit of a group effort for him. Over lunch, Liz asked Connor if there was anything to do in the evenings in the area. Not much, he said, so we all decided to continue in the hotel bar. Rosie suggested getting a couple of bottles of wine and going to her room.

The wine was quickly drunk and we were halfway through the contents of the mini-bar, when Kate said we should all play a game and suggested 'spin the bottle'. There was silence for a moment in the room before Liz sat on the floor next to Kate stating she was up for it, followed swiftly by Rosie.

The bottle span, stopped and pointed at Connor; to the soundtrack of the four of us cheering loudly and laughing like hyenas, he set about removing both of his shoes. The game continued like this, a few more goes and my blouse was off, revealing my sexiest lingerie, my hard nipples visible. Liz and Kate lost the next two turns.

Liz revealed her push-up black bra, while Kate stood up and undid her skirt – she wore a tiny black G-string which barely covered her pussy. We span again and again it pointed at me (lucky me, I should say). I wasted no time and let my skirt fall to the floor, to a chorus of raucous cheering.

Rosie lost the next two spins and off came her blouse and skirt. Liz then lost and removed her skirt. Connor lost two spins leaving him in just his boxer, and we could all see his cock straining against the thin material, making my pussy begin to moisten up. Kate then removed her top, under which she was bra-less, and we all clapped as she revealed her firm breasts.

The next spin landed on me, standing up I slowly removed my bra to reveal my 38C charms and span the bottle for the next go. Once again it had come back to me. I stood in front of Connor and asked him to remove my knickers for me. He

visit www.paulraymond.com

knelt in front of me so his face was level with my pussy and pulled them down. His eyes never left my mound as the flimsy material fell to the floor. It had previously been decided that when someone was naked and the bottle chose them, they would have to perform a forfeit instead. We all wrote two out and placed them face down. The next spins fell to Liz and Rosie, who both removed their bras. Kate was next and she stood in front of Connor, as I had done. I watched as her G-string was removed, her pussy completely shaven and I felt my fanny twitching with lust.

On the next go, I found myself reaching forward to the pile of forfeits and I had to French kiss the person on my left, which just happened to be Connor. We both stood up and began kissing gently, but it didn't take long for desire to take over, and as his hands explored my body, our mouths opened and we began to snog deeply. Liz, meanwhile, had taken it upon herself to take her turn and took off her knickers.

I'm not sure if the bottle was even spun, but all of a sudden, Rosie put her hand on Connor's shoulder, saying it was her turn. I watched as her pussy was revealed, turning to face us with her legs wide apart. I could clearly see a gold ring through her labia, her pussy was totally shaven and beautifully moist.

"The four of us peeled off his boxer shorts"

Kate picked out a forfeit and had to kiss Liz, and there was no hesitation; as they began to snog, they lost their inhibitions and I watched as they explored each other's mouth. Liz slipped her hand between Kate's thighs and began stroking her pussy gently. When she removed her fingers they were glistening wet with Kate's juices, and she lifted them to her lips and sucked them dry.

The bottle span again and this time stopped on Connor, not that we really needed the pretence of the bottle any longer. The four of us knelt in front of him and peeled off his boxer shorts, greedily. His cock was rock hard, very large and dripping pre-come. I licked the droplets from the tip of his prick, before taking

then his whole length in my mouth, further and further down until his pubes were brushing my face and his bell-end was banging the back of my throat.

Liz forfeited next and informed us that the card stated two people of her choice were allowed to do ask her to do anything they desired. Naturally, Connor wasted no time in saying that he would love to fuck her but then she surprised me by asking me what I'd like to do. I took a deep breath and, as sexily as I could, replied, "I want you to lick my pussy – make me come in your mouth." Liz smiled and told me to lie on my back on the floor, as she was going to gladly accept her forfeit. I did as I was told, and watched as she positioned herself between my legs.

She gently blew on my fanny before touching it, sending shivers through me, and the first touch of her tongue on me set my entire body on fire. This only intensified as she began to lick my pussy. Connor knelt behind her and eased his cock into her, pushing her face more firmly into my sopping fanny as he began to pound her.

As her tongue slid fully inside me I knew I was at the mercy of an expert; attempting to hold back was impossible as I felt my orgasm approach. I closed my eyes as I came onto Liz's face, my body shuddering and my juices running down her chin as she carried on licking away at me.

Kate then lowered herself onto my face, holding herself just out of reach and opening her pussy with her fingers. A droplet of juice fell onto my face as she watched Connor pumping Liz full of his spunk. I started to kiss her pussy, enjoying the taste sweet as I licked along her silken folds.

I set about making sure she came, alternating between gentle kisses, licking, tonguing and sucking her clit between my lips. She ground away until she came, her whimpering turning to yelps as my tongue hit her sweet spot, and I tasted her juices as they gushed down my throat.

Connor was now lying on his back as Rosie rode his prick. Positioning myself between his legs, I began to lick his balls, as his cock slid in and out of her. I matched their rhythm, sucking his sack into my mouth on his out stroke. Suddenly, I felt someone running their finger along my pussy lips and,

visit www.paulraymond.com

without looking to see who it was, I pushed back and they slipped inside me.

I was a bit shocked when I realised it was Liz, as she started kissing my arse, holding my cheeks apart and teasing the tip of her tongue into my puckered hole. This had always been taboo to me, but I gasped in pleasure as she replaced her tongue with a finger. I told her to fuck my arse and as she rubbed her thumb over my clit, she slid a second finger inside me.

Before I knew what was happening, I was coming harder than I ever had, and thought I was going to faint as a third and then a fourth digit were slipped into my virgin arsehole. After a few minutes of this heavenly finger-fucking, Liz removed her fingers from my arse and Connor replaced it with his fat dick. I was absolutely uncontrollable as Liz continued to finger my cunt and he fucked away at my bum. Connor finally grabbed my hips tight as he shot his spunky load deep inside my arse.

I felt like a total slut as spunk oozed from my hole, mixing with my own juices as they dripped down my thighs. When we had gotten our breath back, Kate took my hand and led me to the shower. We spent the next half hour soaping each other's body up, caressing and stroking as we slowly kissed, passionately.

The antics carried on throughout the night, albeit at a gentler pace, and I'm pretty sure we all paired off together at some point. We all exchanged details and we're all going to meet up next month, for some more of the same. If you're lucky, I might just write in and tell you about that experience, too! If so, you'd better hold onto your hats!

Foursomes and moresomes

My boyfriend took these pictures of me last Christmas. We had a wonderful time and I guess all that good living and being loved-up meant that I was more amenable to being introduced to the pleasures of group sex with strangers.

I was nervous as hell the first time it happened, and I know I wouldn't have even agreed to it in the first place with anyone other than Barry.

I can't remember exactly, but I knew it was very early on in our relationship that he told me about his sex life – he'd been enjoying group sex since he was 18 years old, and admitted that it wasn't always better than having sex with just one person at a time.

We were going to meet up with some friends of his, Gordon and Katherine, round there house and take it slowly, to see if I liked it or not.

When we got there, Gordon and Katherine lived in a nice semi in a quiet street and were both likeable, attractive people. I took to them instantly.

At first, we sat in their front room and chatted for a while before it went quiet. The silence was only broken after Gordon and Katherine, staring into each other's eyes for a moment, laughed and began to kiss.

Barry sat close beside me and put his arm around me, watching me intently.

"Feeling her breast seemed like the most natural thing to do"

In front of me, Gordon was unbuttoning Katherine's blouse and sliding it over her shoulders, exposing her black bra and her rather attractive, deep cleavage.

Watching them come together, entwining their legs, their passion growing, I found myself becoming aroused. A hot feeling arose in my pussy and started to climb into the pit of my stomach.

I turned to Barry, who was toying with my hair, and we kissed lightly. His hand stroked my thigh and I looked across to see that Gordon's hand was already nestled between her legs and his fingers were running a course over her lips through her silk panties.

I opened my own legs and Barry's hand made for my own pussy, cupping me and rubbing his palm against me as he knew I liked.

As his hand delved inside my knickers, I reached for his penis, feeling him hard inside his trousers and unzipping his fly to feel him in my hand.

We played with each other, our kissing growing passionate, Barry's hands roaming my body, taking as many of my clothes off as he could.

By the time I could think of nothing more than having him inside me, Gordon and Katherine had stripped naked, and we sitting side by side, softly playing with each other as they watched us.

Barry asked me to lie down

on the floor, facing them, and I we too stripped naked.

When I lay down, Katherine lay down next to me, facing me, and then the two boys pushed a knee up each and pushed themselves inside us.

I watched Katherine's reaction as Gordon entered her and she reached out and took my hand as they began to fuck us in rhythm.

It seemed the most natural thing to do was pull her hand to me and place it on my breast, and Katherine smiled happily and we kissed.

Her breasts were smaller than mine and they felt sexy and different in my hands.

When Katherine took my hand and placed it on her pussy, it felt so hot and I could feel myself close to orgasm.

Rubbing her wet clit, its pussy lips so much larger than my own, my fingers found Gordon's cock and I put my palm on Katherine's clit and reached my fingers round his shaft.

All three of us came then, as I lay they getting fucked hard by my boyfriend while feeling another man's cock fuck another woman's pussy.

It was one of the fastest and most earth-shattering orgasms I have ever had and opened my mind wide.

Since then we have had plenty of foursomes and I have watched Barry fuck women as I'm fucking other men – sometimes the sex isn't great, but most of the time it's incredible.

I've found that having other people watching or participating really adds another dimension to our love making.

DIRT BAG

Our real readers' letters sack!

All our letters are genuine, sent in by you, and you're welcome to send in pictures, too! We pay £25 per pic and £20 for every letter published.

Amateur porn star sparkles

My name is Freya and I'm a 19-year-old girl with a very high sex drive. I have often fantasised about appearing in a porno mag, and I've sent a rude letter to accompany my pictures.

Whenever I'm looking at porno mags my favourite bits are always the letters. Hopefully readers will wank as they look at my photos and read my dirty story!

My boyfriend Matt and is just as horny as me so we are constantly all over each other.

We fuck as often as we can in as many different positions and places as possible.

One time we were staying at his parents' house because we were going to a wedding the next day. We'd been playing footsy under the table at dinner and we were both really horny.

His mum and dad said they were going to pick up his sister from her dance class. As soon as they were out the door I had Matt's cock out and I was taking it down my throat.

He'd been nursing a hard-on for so long that he was ready to cum almost straight away. I bobbed my mouth over his helmet and wanked his shaft, making him shoot his load.

His thick cum flowed down my throat and dribbled down my chin. I swallowed it all and licked his cock and balls clean before leading him upstairs.

We went into his parents' bedroom. They have a mirrored wardrobe running down one wall and we wanted to watch ourselves fucking. Also it felt naughty to fuck in his parents' bed.

I lay on the bed and he clambered on top of me and stuck his cock in my face. I toyed with it and teased it with my tongue to make it hard again.

His head was buried between my legs and he was giving my cunt a noisy seeing to with his thrusting tongue. I writhed in ecstasy as I came for the first time.

His cock was growing as I worked on it with my mouth. I nibbled at his balls as he slid his cock between my tits and started fucking them.

Then I wriggled out from underneath him and got on all fours on the bed. He got in behind me and jabbed his

"I showered his nuts in fluid, then licked it up, savouring my pussy juice"

tongue hungrily into my juicy pussy.

I looked in across at the mirror and saw the fucking horny sight of my boyfriend licking me out from behind. He was reaching forward to rub my swinging tits and tweak my nipples as he plated me.

Then I saw him pull back from my pussy and bring his cock up into play. He positioned it just at the entrance to my cunt and then looked across at me in the mirror.

He asked me if I wanted a good fucking. "Yes, stick it up me!" I shouted, desperate to feel his cock inside me. He grabbed hold of my hips and sunk his dick inside me to the hilt.

I gasped as he entered me and started pumping straight away. He swung me round so I was now facing the mirror and watching him drive into me from behind.

Next, I got him on his back and impaled myself on his cock, facing the mirror. I watched myself riding him, imagining I was in a porno.

My jugs jiggled around as I bucked away madly, increasing my pace as I came again and showered his nuts in juice. I jumped off him and licked his balls and cock, savouring my sweet pussy juice.

"I want to fuck you up the arse!" he told me. We both love anal sex and I knew I was going to get my arse fucked good and proper. I bent over the bed and spread my arse cheeks wide.

Matt smeared some cunt juice over my arsehole and fingered my arse to get it ready. Then he nudged his straining cock against my puckered arsehole and I backed slowly onto him.

Between us we gradually worked his cock ball-deep into my arse. Then I gently began rocking back and forth, working up a rhythm.

He matched my rhythm and started pumping me, fucking my arse hard. I looked over my shoulder and in the mirror I saw him stretching my tight little arsehole and working up a sweat.

I could feel a tremendous orgasm building up and I told him to fuck me hard, fast and deep. He was thrusting frantically when I came, my arse clamping down on his big fat cock.

Matt loves to cum in my mouth, so when my orgasm had receded he pulled out of my arse and told me to kneel down in front of him.

I did as I was told, kneeling in front of the mirror. He was wanking himself off, staring at me, and I opened my mouth in readiness for his salty offering.

Sure enough he came, showering my throat, lips and mouth with hot creamy cum. I turned my eyes to the mirror as he gave me my creamy facial, again imagining I was a porn star.

READERS' WIVES

We love getting pictures both on disc and as prints. Digital images should be sent as jpeg files and we like the images to be saved as large as possible (ideally at a resolution of 300dpi). Pictures must be accompanied by a completed readers' wives form (see opposite) and accompanied by 2 forms of ID, at least one of which must be a passport or driver's licence.

JULIA JONES'S MONTHLY REVIEW OF THE BEST SEX TOYS AND KINKIEST BEDROOM AIDS

gummy cuffs

A funny and yummy novelty handcuff that will put a dollop of sweetness into your sex life for sure. The cuffs stretch over your paws and so all that is left to do is nibble, lick and chew your way to freedom. Girls on diets can be restrained for hours this way. Very cute and of course all that energy gained from the sugar can only be burnt off one way, can't it?

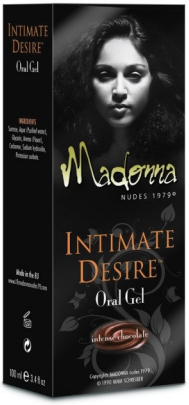
Available from www.sextoys.co.uk for £2.95

love bunny

Some people like to eat seasonal fruit and veg – but not me! I prefer to stick the season's offerings in all my pleasure-craving holes. This little pink bunny is full of the delights of spring and you're too old for a Buttons Easter egg anyway. It's more a novelty gift than a serious orgasm-busting machine, but those cute little ears will take your sensitive parts by surprise.

Available from www.lovehoney.co.uk for £14.99

madonna intimate desire oral gel chocolate



Let's be honest, as much fun as it is down there, it can also taste a little, um, funky sometimes. That's the girls as well as the boys. So fret not, this stuff is delicious and yes, I have just drizzled it over my ice cream – well, the old man is out tonight and I can't lick it off my own pussy, can I? The product isn't personally endorsed by Madonna, as you can probably tell by the fact the pic of her shows her in her younger, podgier days, not with the Terrahawk look that she so terrifyingly sports today.

Available from www.planetearthwholesale.com for £15

clean stream enema bulb

An enema bulb is a bit like a spanner or electric drill – every household ought to have one tucked away somewhere, even if it's only used for drunken DIY. They come in all sorts of fancy fashions, but this is the simplest and the best and also perfect for beginners. Once you have mastered this, the world is your anus, as they say, sort of. Lads, give to the missus as a not-so-subtle nudge in the direction of her back passage.

Naughty newcummers' swing city

When my husband, George, first told me he wanted to have sex with other women – and he wanted me to have sex with other men – I was a little shocked to say the least, but I love him and wanted to make him happy so I said okay.

I wasn't ready for swingers' clubs right away but I thought meeting up with another couple would be something I could handle.

Then George brought home Razzle and we looked through it together and eventually contacted Jane and Ryan after I chose a woman I liked the look of who live locally.

A couple of days later, they got in contact and we arranged to meet them in a pub near their home.

I'm glad to say I was pleasantly surprised by the pair of them – instead of being lecherous and overtly sexual, they were charming and welcoming and I was happy when an hour after we'd met to go back to their home.

Because we were newcomers they suggested the best thing was for us to just relax and see what happened.

With all of us sitting on a large, L-shaped sofa, Ryan, a medium build, slim, balding 30-year-old, and Jane, a petite, thin blonde in her late 20s turned their attentions on each other, kissing and whispering to each other, and George stroked my hair and held my hand.

Things progressed and soon Jane and Ryan were naked, Ryan's cock jutting out in front of him as Jane toyed with his balls and I found myself becoming aroused.

"He smiled and sank seven inches into her wet snatch"

Turning to George, I looked him in the eye and he kissed me deeply, his hot tongue probing for mine.

George let his hands explore my body, stroking my thighs and cupping my breasts. Thoughts ran through my mind, past fantasies of men I had met or just seen walk by.

But it wasn't Ryan's hand that ran along my thigh, though I thought it was. It was Jane's.

With my pussy getting wetter and Ryan's hand slowly working its way up inside my skirt, I looked down to see who's hand it was that was turning me on so much, and was shocked to see Jane looking deep into my eyes.

All of a sudden, a wave of lust came over me and I moved to kiss her as Jane wrapped her arm around my neck and pulled me closer.

We kissed like long-lost lovers and I yearned to know every inch of her amazing body.

She helped me quickly out of my clothes as our husbands looked on, George still clothed, probably wondering what the hell was going on!

And then I was naked and Jane was lightly touching my pussy as she nuzzled my nipples.

To have another woman touching me, knowing just how and where to touch me, was overwhelming. My cunt flooded and soon Jane had two

fingers inside me and was fucking me with her hand as she played with Ryan's dick.

Ryan knelt on the sofa beside her so that his penis was level with her face and she began to kiss and lick his prick, cupping his swollen balls in her hand.

I reached over to George and felt his groin, his dick was rock-solid inside.

"Take your clothes off," I said to him and he hurriedly undressed. When he was naked, I did as Jane did, sucking on his cock greedily and playing with his nuts.

"Do you want your husband to fuck me?" asked Jane, her fingers still deep inside me, her thumb rubbing against my throbbing clit.

Jane knelt on the floor and George came in behind her, smiling broadly as he sank his seven inches into her wet snatch.

Beside them, Ryan lay on the floor and invited me to take a seat. After years of riding the same cock, sitting on Ryan's thick shaft was incredible – it felt like I had a dildo inside me.

I rode him hard, watching my husband fuck this beautiful, lithe young girl doggy-style, and I felt more alive and turned on than I had in years.

So when my husband pulled out his cock and wanked himself off onto Jane's anus and Ryan's fingers began to probe my own ring, my orgasm ripped through me and left me gasping.

We've been swinging for years now but I'll always remember that first time. It was just too horny for words!

Maggie, Croydon

What goes in hard and stiff and comes out soft and wet?

Chewing gum, of course.

An Essex girl was playing Trivial Pursuit with friends. She rolled the dice, landed on 'Science and Nature' and got the question, 'If you are in a vacuum and someone shouts to you, can you hear them?' She pondered for a moment before asking, 'Is the vacuum on or off?'

Two blondes walk into a building. You would have thought at least one of them might have seen it.

What's the best thing about getting a blowjob?

A father says to his wife, "I'm so proud of little Jimmy's test results. He must get his brains from me, don't you think?" Jimmy's mum rolls her eyes and replies, "Probably dear – I still have all of mine."

Ten minutes of peace and quiet.

What do you call a man who has 99% of his brain missing? Castrated.

I FELT VERY SORRY FOR THE STAGE HYPNOTIST I WENT TO SEE LAST NIGHT – HE HYPNOTISED SIX MEN BUT THEN DROPPED THE MICROPHONE AND YELLED, "FUCK ME!" WHAT HAPPENED NEXT WILL HAUNT ME UNTIL THE DAY I DIE.

The chicken and the egg are lying in bed together. The egg is scowling, obviously pissed-off, while the chicken smokes a cigarette and looks satisfied. The egg mutters, "Well, I guess we know the answer to that one now, then, don't we?"

TRUE CON

READER TONY'S A SUCKER FOR FEET, AND A FUCKER OF FEET INTO THE BARGAIN...

My girlfriend Poppy is a sexy, petite brunette who knows exactly how to get me worked up. She's not a nympho or anything like that, but she does love sex and she knows just how to do it for me. Although she's tiny, she's got a good pair of tits and a lovely round, firm arse. She has long shapely legs, but what really drives me wild about her is her beautiful feet. I freely confess to being a 'foot man', and love to play with the soft skin and suck the toes of a pretty little female foot.

Of course, Poppy knows this and rarely misses an opportunity to tease me by putting on a little performance to get me aroused. Foot sex has now become my very favourite thing, and as Poppy really gets off on it too, it's become a regular part of our love life. And although it'd always guaranteed to get me off, the first time we tried it will always be one of my sexiest memories.

I arrived home from a late meeting one evening to find Poppy completely starkers and sitting on some bath towels, on the bed. Her body was still slightly moist from the bath, and she looked beautiful as she patted the last of the damp spots with a towel.

Seeing me staring at her, she smiled naughtily at me and began pouring some moisturiser into her palm and massaging the soft scented cream into her toes and feet, and up her long slender legs. Then, spreading her thighs, she worked some of the cream into her mound and between her legs, a little smile playing around her lips.

Watching her, I became almost crazed with lust, and I quickly stripped off. Taking her in my arms, I kissed her hungrily. Her arms snaked around my shoulders as she lifted one knee high and pressed it against my hard-on. My cock got even stiffer as, leaning right back, one hand gripping the reverse of my neck, she brought her knee up higher until her long toes were toying with my shaft.

It felt amazing and adrenaline surged through my body as I felt her toes curl around my erection. With my heart beating rapidly, I laid her gently back and, fighting to keep control of myself, I began running my hands along the soft curves of her body.

I leaned over her, placing soft kisses on her nipples and clit as I moved downwards until I reached her feet. Then, repositioning myself at the end of the bed, my hands took one delicate, soft-skinned foot, and I raised it to my lips. Kissing the sole of her foot gently, I watched in delight while Poppy squirmed on her back.

She smiled up at me, her eyes drinking it all in as my tongue explored between her delicate toes. Sucking each toe tip gently, I nibbled the soft fleshy pads, being careful to keep my touch gentle and sensual so as not to tickle her. Poppy is a natural-born cock-teaser and, seeing how turned on I'd become, got her well and truly juiced up,

"CUM OOZED BETWEEN HER DAINTY TOES"

FESSIONS

while I worshipped her feet.

She moaned softly as she watched me licking and caressing her foot. I then turned my attention to the other foot and repeated the process, switching between nibbling and licking to increase her pleasure. From my viewpoint at the bottom of the bed, I looked appreciatively up her legs to her beautifully shaved pussy. The delicate lips of her excited little slit started to contract and her swollen pussy lips glistened with her juices as she studied my changing expressions while I sucked on her toes.

My erection was growing and standing proud now, so I took my engorged cock in my fist and slowly began to stroke it. I hadn't been so turned on in a long time and my cock seemed larger than usual. As I ran my inflated prick along the soles of her feet, Poppy began to finger her pussy.

Giggling, she placed both of her feet against my groin. I was so close to cumming, but I wanted the full satisfaction, so I removed her feet and climbed onto the bed. Sitting facing her, I returned her feet to my groin and asked her to wank me off with them.

Gripping my cock with her toes, she started to rub my shaft slowly and methodically with her sexy feet. The sensations, coupled with the spectacle, was so intense I moaned and gasped loudly as my erection throbbed so hard it threatened to break free from her grip.

Poppy maintained control of my dick by clamping her feet firmly against both sides of it, sandwiching the soft skin of my cock between the slightly rough soles of her pretty feet, while continuing to pump up and down my shaft. As she foot-fucked me, she spread her pussy lips and rubbed hard at her clit, dipping two fingers inside her tight little cunt. My balls ached and I knew I was only seconds from shooting a massive load. Reaching down and taking both of her feet in one hand I tugged myself off over them with abandon, spraying my spunk over the bridges of her feet, the cum sliding downwards and oozing between her dainty toes.

I collapsed back, panting and gasping, in total awe of the sight of Poppy, her feet white and sticky, and covered in my spunk, two fingers deep in her pussy and her thumb rubbing frantically on her clit. She began frigging herself harder, moaning louder, as her pussy lips started twitching and she suddenly screamed out with her own orgasm.

She too collapsed onto her back for a second, but then she was straight back up again, as she took her feet in her hands and gently started rubbing the creamy spunk into her skin, gathering some up in her hands, and gleefully spooning it into her mouth. It was easily the best foot fuck I'm ever likely to have.

LOLA

visit www.paulraymond.com

Unlike the Kinks' version, there's no danger of this Lola revealing a meat and two veg from beneath her skirts – lucky Lola is the proud possessor of two fine breasts and a warm welcoming pussy. And she knows how to use them. Apparently this Kink-y girl will go all the day and all of the night.

READERS' WIVES

We love getting pictures both on disc and as prints. Digital images should be sent as jpeg files and we like the images to be saved as large as possible (ideally at a resolution of 300dpi). Images that are too small will be returned. The more poses the better, and we hope you have as much fun taking them as we do looking at them! Pictures must be accompanied by a completed readers' wives form (see opposite) and accompanied by 2 forms of ID, at least one of which must be a passport or driver's licence.
